

What Happens Next.

A summary of the investment, scope, and what we will do together once you are ready to move forward.

INVESTMENT: UPDATED SCOPE

\$10,800 for the First 4 Months

Our original proposal was \$9,500. Based on our meeting, we updated the scope to include full SEO strategy and execution — on-page optimization, Alberta location landing pages, keyword research, and content targeting the searches your potential members are already making. The retainer is \$2,700 per month for the first 4 months. At the end of that term we review together and agree on next steps. Budget is flexible.

Campaign strategy and planning	\$1,500
Creative and asset production	\$2,500
Social media execution (4 months)	\$2,000
Landing pages and email sequences	\$1,500
SEO and ad management (4 months)	\$3,300
4 months at \$2,700 per month	\$10,800
Paid media budget (billed separately)	~\$300/mo

Budget flexibility: The \$300/month paid media figure is a reasonable starting point. Additional spend can be added at any time depending on what is performing. We will always discuss this with you first.

A KEY BARRIER WE WILL FIX

Most Albertans Think AEF Is Not for Them. It Is.

Recreational riders, trail riders, and hobbyists across Alberta assume AEF is only for competitive equestrians. They have no idea it includes \$5M liability coverage, \$40K AD&D insurance, and programs for beginners, families, and casual riders. Shifting this perception is a core part of the campaign.

Trail riders and hobbyists

They ride in Alberta but assume AEF is for competitive riders only. We change that with identity-driven messaging.

Families and new riders

Parents want safety and structure. We reach them through Learn to Ride and Rookie Riders messaging.

Recreational adults

People who ride for enjoyment. The largest untapped segment. We make AEF feel like a community.

YOUR CULTURE MEDIA TEAM

Three People. Fully Dedicated.

We want to build a real relationship with AEF and earn your trust over time. One of the things we discussed is how important it is to have a team genuinely invested in your success.
